AUTO CARE PRODUCTS

PALCO AUTOMOTIVE CLEANER & DEGREASER CONCENTRATE

PALCO AUTOMOTIVE CLEANER & DEGREASER CONCENTRATE is a high-performance cleaning solution specifically formulated to tackle tough grease, oil, grime, and dirt commonly found on vehicles and automotive equipment. This powerful concentrate is designed to be diluted with water, making it cost-effective and versatile for various cleaning tasks. It effectively cleans engine bays, wheels, tires, tools, and garage floors, breaking down stubborn contaminants without damaging surfaces like metal, plastic, or rubber. Its fast-acting formula saves time and effort, while its concentrated nature ensures long-lasting use. Safe for most automotive surfaces, this cleaner is ideal for both professional mechanics and car enthusiasts looking to maintain a spotless and well-maintained vehicle.

FEATURES: Powerful Cleaning, Concentrated Formula, Versatile Use, Fast-Acting, Heavy-Duty Performance, Eco-Friendly Options, Easy to Use, Residue-Free, Cost-Effective

APPLICATIONS: Engine Bays, Wheels and Tires, Chassis and Undercarriage, Vehicle Exteriors, Interior Cleaning, Tools and Equipment, Oil Stains and Spills, Exhaust Systems.

Packing: 210L, 50L, 20L, 5L, 1L

AUTOMOTIVE EXTERIOR CLEANER

PALCO AUTOMOTIVE EXTERIOR CLEANER is a ready to use high-performance, water-based cleaner designed for tough cleaning tasks in automotive exterior parts. Specially formulated to tackle heavy accumulations of grease and dirt loads, it delivers powerful cleaning action without harsh chemicals. This advanced blend is fully biodegradable, non-caustic, phosphate-free, non-acidic, and glycol-free, making it safe for the environment while remaining highly effective. It effortlessly removes stubborn grime from painted metal exteriors of cars and other automobiles.

FEATURES: Powerful Cleaning, Ready to Use, Versatile Use, Fast-Acting, Heavy-Duty Performance, Eco-Friendly Options Easy to Use, Residue-Free,

APPLICATIONS: Ideal for automobile manufacturers, detailers, paint shops and car lovers, it combines powerful cleaning with responsible sustainability.

Packing: 5L, 500ml

AUTO CARE

AUTOMOTIVE INTERIOR CLEANER

PALCO AUTOMOTIVE INTERIOR CLEANER is a premium cleaning solution designed to effectively remove dirt, dust, stains, and grime from various surfaces inside your vehicle, including leather, vinyl, plastic, and fabric upholstery. Its advanced formula gently cleans without harsh chemicals, ensuring no damage or discoloration to delicate materials. The cleaner leaves a streak-free, non-greasy finish while restoring the natural shine of your car's interior. With a pleasant fragrance, it also helps eliminate odors, leaving your car smelling fresh.

FEATURES: Multi-Surface Formula, Deep Cleaning Action, Streak-Free & Non-Greasy Finish , Pleasant Fragrance , Quick & Easy Application , Anti-Static Effect , Versatile Use

APPLICATIONS: The typical applications consist of Dashboard & Console Cleaning, Fabric & Carpet Stain Removal, Door Panels & Trim Restoration, Steering Wheel & Gear Shift Cleaning, Air Vent & Hard-to-Reach Areas and Odor Neutralization. PALCO AUTOMOTIVE INTERIOR CLEANER is suitable for all vehicle types, ensures a deep clean.

Packing: 5L, 500ml

AUTO WASH

PALCO AUTO WASH - Experience the ultimate clean with our super-concentrated, pH neutral, thick liquid shampoo. Enhanced with advanced surfactants and powerful cleaning agents, it delivers a rich, high-foaming action that effortlessly lifts and holds dirt and deposits in suspension. Designed for a scratch-free rinse, it leaves your vehicle with a brilliant shine and unmatched protection.

FEATURES: Safe for Car Paint , Effective Dirt Removal , Foaming Action, Prevents Water Spots, Wax-Friendly.

APPLICATIONS: Primarily used for cleaning and maintaining the exterior surfaces of vehicles, including Automotive Exteriors, Wheels and Tires, Glass Surfaces, Plastic and Trim Parts, Motorcycles, ATVs, and Boats, Engine Bay and detailing services.

Packing: 210L, 50L, 20L, 5L

AUTO CARE

BIKE & CAR WASH

PALCO BIKE & CAR WASH shampoo is a specialized cleaning product designed to provide a thorough and safe wash for your vehicles. It is an excellent choice for bike & car enthusiasts and everyday drivers alike, offering a reliable and safe solution for maintaining the cleanliness and appearance of your vehicle.

FEATURES: Stain and Dirt-Free Cleaning, Versatile Application, Thick Foam Formula, Water Compatibility, Safe for Clear Coat , Advanced Foaming Technology.

APPLICATIONS: Primarily used for cleaning and maintaining the exterior surfaces of vehicles, including Automotive Exteriors, Wheels and Tires, Glass Surfaces, Plastic and Trim Parts, Motorcycles, ATVs, and Boats, Engine Bay and detailing services.

Packing: 15ml Pouch

GLASS CLEANER

PALCO GLASS CLEANER is a specialized cleaning solution designed to effectively remove dirt, smudges, fingerprints, and streaks from glass surfaces, such as windows, mirrors, and glass tabletops. It is available in spray bottles for easy application, allowing users to simply spray the solution onto the surface and wipe it away with a lint-free cloth or paper towel. It is designed to be eco-friendly, using non-toxic or biodegradable ingredients.

FEATURES: Streak-Free Shine, Effective Cleaning, Quick Drying, Ease of Use, Non-Toxic Options, Multi-Surface Use, Prevents Buildup.

APPLICATIONS: Vehicle Windows and Windshields, Side and Rear Windows, Mirrors, Headlights and Taillights, Interior Glass Surfaces, Home and Office Windows, Glass Tabletops and Showcases, Display Glass.

Packing: 5L, 500ml

AUTO CARE

HELMET SPRAY

PALCO HELMET SPARY is an effective foam based cleaner for the interior of helmets. It cleans, reduces malodour and provides freshness. The unique silver-based technology ensures 99% protection from odour causing bacteria and is recommended for all the types of helmet liners.

FEATURES: Effective inner helmet spray sanitizer and deodorizer. Antibacterial - Helps to control bacteria that causes odour build up. Restores helmets, hats & headgear to a pleasant freshness Ideal for use before and after rides.

Packing: 150ml

PREMIUM FOAM WASH

PALCO PREMIUM FOAM WASH Shampoo, the ultimate snow foam solution for a deep and gentle clean. This advanced shampoo creates a thick, snow-like foam that clings to your vehicle's exterior, effectively softening and loosening stubborn dirt, grime, and muck. Its powerful formula penetrates deep into contaminants, lifting even the toughest particles that regular shampoos can't handle. By breaking down dirt before the wash, it minimizes the risk of scratches and swirls, ensuring a safer and more effective cleaning process. Perfect for pre-wash treatment or standalone use, PALCO PREMIUM FOAM WASH leaves your car's surface spotless, protected, and ready for a flawless finish.

FEATURES: Snow Foam Technology, Deep Cleaning Power, Scratch-Free Protection, Enhanced Dirt Removal, Pre-Wash Efficiency, Gentle on Surfaces, Time-Saving, Professional Results, Versatile Use, Eco-Friendly Formula.

Packing: 210L, 50L, 20L, 5L, 1L, 500ml, 250ml

AUTO CARE

AUTO CARE

WASH & WAX

PALCO WASH & WAX Car Shampoo – the ultimate 2-in-1 solution for a sparkling clean and long-lasting shine. Our advanced formula combines powerful cleaning agents with premium wax additives to gently remove dirt, grime, and road contaminants while simultaneously depositing a protective wax layer. The high-foaming action ensures a scratch-free wash, while the wax enhances your vehicle's gloss and provides a durable barrier against UV rays, water spots, and environmental pollutants.

FEATURES: 2-in-1 Convenience, Enhanced Shine, Paint Protection, Scratch-Free Cleaning, Long-Lasting Protection, Deep Cleaning Power, High Foaming Action, Versatile Use, Pleasant Fragrance.

APPLICATIONS: Primarily used for cleaning and maintaining the exterior surfaces of vehicles, including Automotive Exteriors, Wheels and Tires, Glass Surfaces, Plastic and Trim Parts, Motorcycles, ATVs, and Boats, Engine Bay & detailing services.

Packing: 210L, 50L, 20L, 5L, 1L, 500ml, 250ml

WINDSHIELD CLEANER

PALCO WINDSHIELD CLEANER is a high-quality cleaning solution designed to keep your windshield spotless and clear. Effectively removes fingerprints, road dust and sediment, oils and traces of insects. Leaves shine. PALCO Windshield Cleaner does not leave streaks and reflections on the glass. Product for cleaning the windows of all types of vehicles.

FEATURES: Effective Cleaning, Versatile Compatibility, Safe Formulation, Concentrated Formula.

Packing: 5L, 100ml, 50ml Pouch

AUTO CARE

ALL IN ONE POLISH

PALCO ALL-IN-ONE POLISH is a versatile and multi-functional auto care product designed to clean, polish, and protect your vehicle's surfaces in a single step. It effectively removes light scratches, swirl marks, and oxidation while restoring the shine and clarity of paint, glass, and metal surfaces. Enriched with protective agents, it creates a durable barrier against UV rays, dirt, and environmental contaminants, ensuring long-lasting results. Suitable for both interior and exterior use, this polish is easy to apply, saves time, and leaves a glossy, professional finish, making it an ideal solution for maintaining your car's appearance and protecting it from wear and tear.

FEATURES: Cleans, Polishes, Protects, Multi-Surface Use, Saves Time, Enhances Gloss, Easy Application, Long-Lasting, UV Resistance, Versatile.

APPLICATIONS: Primarily used for Exterior Paint, Headlights and Taillights, Chrome and Metal Surfaces, Glass Surfaces, Plastic Trim, Interior Surfaces, Wheels and Rims, Motorcycle Surfaces, Boats and RVs, Fibreglass.

Packing: 5L, 200ml, 100ml

AUTO BODY POLISH

PALCO AUTO BODY POLISH is a specialized product designed to enhance the appearance and protect the exterior of a vehicle. It works by removing fine scratches, swirl marks, and oxidation from the paint surface, restoring a smooth and glossy finish. The polish typically contains mild abrasives, oils, and protective agents that not only improve the shine but also create a protective layer against environmental contaminants like UV rays, dirt, and water spots. Regular use of auto body polish helps maintain the car's aesthetic appeal, prolongs the life of the paint, and can even increase the vehicle's resale value.

FEATURES: Gloss Enhancement, UV Protection, Water Repellency, Environmental Protection, Ease of Application, Versatility, Long-Lasting Results, Non-Abrasive Formulas.

APPLICATIONS: Automotive Exteriors, Vehicle Trim and Plastic Parts, Motorcycle and ATV Finishes, Marine Vehicles (Boats, Yachts) Metal Surfaces, Various surfaces across a vehicle.

Packing: 210L, 50L, 20, 5L, 500ml, 200ml, 100ml

AUTO POLISH

PALCO AUTO POLISH is a premium automotive polish designed to restore and enhance your vehicle's paintwork, delivering a showroom-worthy shine. Its advanced formula gently removes light scratches, oxidation, swirl marks, and surface imperfections while filling in micro-scratches for a flawless finish. Enriched with protective agents, it creates a high-gloss barrier that repels dust, water, and UV rays, helping to prevent fading and environmental damage. Suitable for all paint types, including clear coats, metallic, and solid finishes, this non-abrasive polish is easy to apply by hand or machine, leaving no residue or streaks. Whether used for routine maintenance or deep restoration, PALCO AUTO POLISH revitalizes your car's exterior, ensuring long-lasting brilliance and protection.

FEATURES: Restores Showroom Shine, UV & Environmental Protection, Smooths Surface Imperfections, Enhances Colour Depth, Water & Dust Repellent, Non-Abrasive & Safe, Easy Application, Prepares for Wax/Sealant, Cost-Effective Maintenance.

Packing: 210L, 50L, 20L, 5L

CAR & BIKE SHINER

PALCO CAR & BIKE SHINER cleans shine and protect your vehicle original painted surface, vinyl, leather, furniture and rubber from the effect of sun's ultra virus rays & heat. Also prevents drying discolouring, hardening, and cracking of the original beading, bumpers & side walls of tyres. Restores natural colour and bring it back to new look.

FEATURES : All-purpose shiner for a better finish. Multi surface spray polish (plastic, metal, tyre, painted and rubber parts).

Packing: 150ml

AUTO CARE

DASH BOARD & LEATHER POLISH

PALCO DASHBOARD & LEATHER POLISH is a premium conditioning formula specially designed to clean, protect, and restore the natural shine of automotive dashboards, leather seats, vinyl, and plastic surfaces. Its advanced non-greasy formula deeply nourishes leather to prevent cracking and fading while creating a UV-resistant barrier against sun damage. The polish effectively removes dust, stains, and fingerprints while leaving a smooth, satin finish without oily residue.

FEATURES: Nourishes and revitalizes leather, vinyl, and plastic, preventing cracks and fading. Works on dashboards, seats, steering wheels, door panels, and furniture (genuine/synthetic leather, vinyl, and plastic). Removes dust, stains, and fingerprints while restoring natural shine. Provides durable protection with a fresh, subtle fragrance. Easy to apply with a microfiber cloth—no professional tools needed. Free from harsh solvents, making it safer for users and interiors.

APPLICATIONS: Automotive Interiors – Dashboards, Leather Seats, Steering Wheels & Gear Knobs. **Furniture & Home Use** - Leather Sofas & Chairs, Vinyl/Plastic Furniture, **Additional Uses** - Motorcycle Seats & Saddles, Caravan/RV Interiors

Packing: 5L, 100ml

SHINE & SPONGE

PALCO SHINE SPONGE contains high quality, high shine multi-surface polish to restore and extend shine on all Plastic, Vinyl, Rubber and Painted surfaces. This versatile polish sponge works effectively on a wide range of surfaces, including bumpers, dashboards, exterior trim, and leather parts. It enhances the appearance of different surfaces like metal and leather components, giving them a refreshed, polished look.

FEATURES: Instant High-Gloss Shine, Multi-surface Compatibility, Easy Application, Surface Protection.

APPLICATIONS: Suitable for both cars and bikes, making it an all-in-one solution for maintaining the shine of two-wheelers and four-wheelers. Ideal for use on tyres, headlights, metal trims, dashboards, and even leather seats.

Packing: 1 Pouch

AUTO CARE

AUTO CARE

SILICONE DASHBOARD POLISH

PALCO SILICONE DASH BOARD POLISH cleans and restores the dash board, leather surfaces and plastic parts. Prevents scratches and aging of surfaces and enhance the gloss of the paint. This is a non- toxic formula which clean vehicles parts, desks, leather, bumpers, plastic parts and furniture.

FEATURES: Act as a car sanitizer & car cleaner. Prevent car parts from bacterial growth. Can also be used for Leather Seat polishing.

Packing: 400ml, 150ml

TYRE SHINNER

PALCO TYRE SHINNER is a high-quality silicon emulsion based product designed to protect and enhance the appearance of all types of rubber tires. It is an excellent choice for anyone looking to protect, restore, and maintain the appearance of rubber tires while ensuring long-lasting durability and a professional finish.

FEATURES: Water-Based Formula, Silicone Protection, Restores Showroom Shine, Odorless and Non-Toxic, Non-Corrosive, Long-Lasting.

APPLICATIONS: Automotive Tires , Motorcycle and Bicycle Tires, Whitewall Tires, RV and Trailer Tires, Industrial and Agricultural Equipment, Tire Storage,

Packing: 5L, 200ml

TYRE ULTRA SHINE

PALCO TYRE ULTRA SHINE is a non-aqueous agent for tyres and bumpers. It conditions and restores a natural black look. Leaves wheels with a long lasting brilliant shine. UV Protection.

FEATURES : Clean shine & Protect. Fast and easy to use.

Packing: 400ml

VINYL & DASH BOARD POLISH

PALCO VINYL & DASHBOARD POLISH is a premium product designed to protect and enhance the look of your car's interior surfaces, such as vinyl, rubber, and plastic. It not only polish but also shields surfaces from UV damage, preventing fading, cracking, and drying. With regular use, it restores the original color and shine of your dashboard and consoles, keeping your car's interior looking fresh and new.

FEATURES: Deep Cleaning, UV Protection, Surface Protection, Enhances Appearance, Prevents cracking & hardening, Non-Greasy Formula, Safe for multiple surfaces, Non-Abrasive Formulas, Easy Application, Anti-Static Properties. Residue free finish.

APPLICATIONS: PALCO VINYL & DASHBOARD POLISH is a versatile and effective solution for maintaining and protecting various interior and exterior surfaces of your car. It is designed for use on a wide range of automotive surfaces, including Dashboard, Window Trims, Door Trims, Bumper Bars, Door Panels, Vinyl Seats, Consoles.

Packing: 10ml Pouch

AUTO CARE

BATTERY TERMINAL PROTECTOR SPRAY

PALCO BATTERY TERMINAL PROTECTOR SPRAY protects battery terminal from failure due to sulphating. It forms a protective coating to seal out battery acids, moisture, dirt grease, oil and other contaminants that corrode and destroy metal contacts; thereby optimizing battery performance.

FEATURES : Prevent battery failure by protecting battery terminals from corrosion. Increase battery life and improves performance. Air-tight water proof and acid resistant coating. Protects battery and cable terminals against leakage and acid sulphating.

Packing: 150ml

BRAKE & PARTS CLEANER / DEGREASER

PALCO BRAKE & PARTS CLEANER / DEGREASER is a full strength cleaner and degreaser that safely and effectively removes brake fluid, grease, oil and other contaminants from brake and parts components. It can dissolve grease and grime without brake disassembly. Not only is it effective on brake parts, this solution can be used on other components and as a general purpose degreaser anywhere in the workshop.

FEATURES : Ozone friendly, contains no CFC's. Effectively removes impurities from brake components. Leaves no residue, staining and is non-corrosive. Cleans disc rotors after machining, before brake pad installation. Cleans instantly to stop squeaks and squeals in brakes. Use on brake parts and other degreasing applications.

Packing: 150ml

AUTO CARE

CARB & CHOKE CLEANER (SPRAY)

PALCO CARB & CHOKE CLEANER removes deposits from the inside and outside of the carburettor to improve engine performance and fuel economy. This helps in removing grease, oil, varnish, gum and dirt build-up. This spray cleans carburettors, linkage, choke valves, and unpainted metal parts to improve performance and reduce emissions. This conforms to health working practices and effortless cleaning and also prevents the environment by reducing smoke.

FEATURES: Specially formulated to remove gum, sludge, varnish, grease and dirt from carburettors. Regular usage will ensure prevention of dirt build-up. Cleans carburettors, linkages and automatic chokes. Fast acting and easy to use to formula. Help maximise an engine's power, performance and efficiency.

Packing: 400ml, 150ml

CHAIN CLEANER

PALCO CHAIN CLEANER cleans all types of motorcycle chains (road and off-road) and those of other vehicles. Evaporates very quickly. It helps in reducing friction between metal links and thus reducing wear and tear.

FEATURES : Recommended for all types of chains: standard and with O-ring, X-ring and Z-ring. Chain cleaner is an effective product for Motorcycle, Cars, Trucks which removes silage and metallic dust quickly and take away dirt and grease without damaging chain. Reduces friction and loss of power. Increases chain durability. Water and rust resistant. No exploit on seals. Reaches in accessible areas quickly.

Packing: 400ml, 120ml

AUTO CARE

CHAIN LUBRICANTS

PALCO CHAIN LUBRICANTS is an aerosol chain lube that capitalizes on emerging lubricant technology. Unsurpassed anti-wear protection for long chain and sprocket life is achieved through an outer protective coating that will not attract dirt, sand, or grit and will not fling when used as directed. Suitable for all 'O' 'X' and 'Z' ring and roller type chains for street, off-road, and racing use.

FEATURES: Effective for high speed chains in automobiles. Its residual material forms a tenacious lubrication film that resists wear, corrosion and does not get thrown off. Suitable for all types of chain driven vehicles like bicycles, motor cycles etc. as well as industrial chains that require a lubricant of moderate adhesiveness.

Packing: 400ml, 120ML

ENGINE FLUSH

PALCO ENGINE FLUSH effectively cleans deposits and clogging which appear in the engine. The removed micro-particles are then evacuated at the time of the oil drain. The product is made with high-quality solvents for effective cleaning. It dissolves sludge, lacquer, etc. and is compatible with all motor oils.

FEATURES: Improved Engine Performance, Enhanced Fuel Efficiency, Extended Engine Life, Easy to Use, Economical to use with an application rate is 50 ml Engine Flush per litre of oil.

APPLICATIONS: Designed for use in all engine types in passenger cars, 4WD's, light & heavy-duty commercial vehicles, motorcycles, farming, mining, agricultural, industrial equipment, marine and stationary engines. Safe to use in all petrol, LPG & diesel engines and is safe for catalytic converters, DPF's (Diesel Particulate Filters) and engine sensors.

Packing: 300ml, 50ml

AUTO CARE

GUN CLEANER

PALCO GUN CLEANER is a gun bore cleaner that safely and effectively shields your firearms from corrosion. It has been specially formulated with bio-degradable oils. Fouling starts with the first shot. With every subsequent shot, fouling attracts and traps moisture against barrel walls. Stop costly rust before it starts by keeping your weapons clean. Gun Cleaner is odourless, non-toxic, and environmentally safe. The thin, rust-inhibiting spray keeps metal squeaky clean and shiny without leaving an oily residue.

FEATURES : Protect from rust. Remove fingerprints. Clean and condition

Packing: 400ml, 150ml

LITHIUM GREASE SPRAY

PALCO LITHIUM GREASE SPRAY is a non-dripping and non-staining formula that ensures smooth movements of the auto parts. It offers a clear window channel that is free from dust and does not require much effort to clean it up. It is user-friendly and quite convenient to use. The grease is the best solution to all the car related services.

FEATURES: Non-dripping, non-staining lubricant with excellent penetrating property. Ensure easy and smooth movement of joints. Joint is fast dry, no wetness in joints. Ensures clean and dust free window channels.

Packing: 150ml

AUTO CARE

RADIATOR FLUSH

PALCO RADIATOR FLUSH is the ideal solution for routine maintenance of both diesel and petrol engine cooling systems, ensuring optimal performance without expensive downtime. This high-performance cleaner is compatible with all engine coolants and can remain in the system for up to 30 days—perfect for heavy-duty applications.

FEATURES: Prevents Overheating, Extends Engine Life, Improves Cooling Efficiency, Compatible with All Coolants, Prevents Costly Repairs, No Downtime Required, Protects Against Corrosion, Environmentally Considerate.

APPLICATIONS: Radiator Flush is recommended to clean out the cooling system of all types of passenger cars, 4WD's, light & heavy-duty commercial vehicles, motorcycles, agriculture, mining, construction and stationary engines.

Packing: 250ml

RAT REPELLENT SPRAY

PALCO RAT REPELLENT FOR CAR is a specially developed formulation which repels rodents from the engine bay and entry areas like the wheel arch. This 'barrier' coating prevents unexpected damage caused by rodents. Vehicle compatibility: All Cars

FEATURES: Car rat repellent spray keeps rat away from car engine. Only repels rats, does not kill them.

Non-toxic and easy to use. Keep away from children do not expose to heat do not spray inside car, home, office, store.

Packing: 150ml

AUTO CARE

SILENCER COATING BLACK & SILVER

PALCO SILENCER COATING SPRAY is a heat resistant, corrosion protective, silencer coating treatment which provides a protective layer to the silencer of all type of vehicles. This is based on the special combination of pure Zinc, Aluminium and Modern Resins. The spray not only provides hard coat on the underbody of the car, which is fast drying paintable, non-toxic but also reduces the sound from below the vehicle & insulates it from harsh atmospheric conditions.

FEATURES: High heat resistance. Low surface tension provides quick wetting of rusted surfaces disintegrating rust particles. High solvency of rust x 90 makes removal of adhesive, gum, and varnish deposits super easy. Forms thin anti-rust film on metal surface preventing it from corrosion. Recommended for use on various metals such as Iron, Steel, Copper, Brass, etc. Also can be used on Exhaust Pipes and Grills.

Packing: 250gm

SPRAY PAINT

PALCO SPRAY PAINT is an easy to use, high quality and fast drying paint for all painted surfaces. It gives durability, adhesion & rust protection. It is available in all regular and customized shades.

FEATURES: Easy to use. High quality and fast drying.

Packing: 440ml

AUTO CARE

ELECTRO CLEANSE

PALCO ELECTRO CLEANSE – cleans oil, grease, dirt and moisture from circuit boards, electrical contacts, switches and more. Used for cleaning mobile phones, computers, household appliances, precision instruments, electrical components and circuit board etc. Completely volatile, leaving no trace, no corrosion to plastic and metal surface.

FEATURES: Evaporates quickly. Effectively removes stains. Ideal for Computer Hifi, Circuits and other Electronics Devices.

Packing: 400ml

MICROFIBER CLOTH

PALCO MICROFIBER CLOTH is a highly versatile and efficient cleaning tool made from ultra-fine synthetic fibers, typically composed of polyester and polyamide. These fibers are split during manufacturing to create a dense, soft, and absorbent material with a large surface area, making it exceptionally effective at trapping dust, dirt, grease, and moisture. It is designed to perform non-scratching & lint free cleaning. It quickly entraps dust & sand form and can be effectively used for glass and painted surfaces. It can hold many times its weight of water.

FEATURES: Ultra-Fine Fibers - Made from tightly woven polyester and polyamide fibers, which create a dense, soft, and highly effective cleaning material. High Absorbency - Capable of absorbing up to seven times its weight in liquid. Lint-Free and Streak-Free Cleaning - Leaves no residue, lint, or streaks on surfaces, ensuring a polished and clean finish. Durable and Long-Lasting - Resistant to wear and tear, microfiber cloths can withstand hundreds of washes without losing their effectiveness.

Packing: 2 Pcs in each Container
